| Notes | Met Oksana of Sevastopol, Ukraine through the Internet 7 years ago even though she did not speak English at the time. Summer 2000 met Oksana and her daughter for the first time in person in Prague, CZ; summer 2002 met them again in Yalta, UA where we became engaged; summer 2004 met them again in Yalta, UA. Hopefully should have her visa before end of year then they will both come here and hopefully we will be married by late fall 2006/early winter 2007. When it finally happens, everybody is welcome to come. |
